(For sponsorship interest above these amounts, please contact us for entry into Core Level Sponsorship)

Sponsor Protocol and Schedule

Sponsor representatives at Inspiration Golf Clinic are kindly asked to adhere to the rules of our host golf course, as well as the following items:

- Sponsors who are planning to have a representative at a table during a clinic day must first make an appointment and receive confirmation of their requested date. Appointments can be specified at the beginning of a sponsorship term or by sending an email to **insgolfclinic@gmail.com** (dates subject to availability)
- Our host course allows a maximum of 2-3 sponsor tables at any one clinic.
- Sponsor tables should be positioned by the scoreboard area under the awning to allow for proper egress of the driving range area or in areas pre-approved and designated by Inspiration Golf.
- Sponsors can begin their table set up at 8:30am or later.
- Sponsors may distribute practical promotional items and bottled water during a clinic. (Unfortunately, our host course does not allow the distribution of outside food products.)
- To preserve the adaptive golf experience and safety of our participants, sponsors are asked to refrain from soliciting away from the table area including but not limited to the putting green and driving range locations during golf instruction.
- Sponsors who are planning a 15-minute demonstration are asked to schedule their presentation on the same day as a table setup whenever possible.
- 15-minute demonstrations are to be scheduled after the clinic ending time of 11am, during which time participants and volunteers are invited to view the presentation. (Out of respect to participants' schedules and activity tolerance, attendance during a presentation is considered voluntary)

Inspiration Golf Clinics are typically scheduled once a month between April and November.

If you have any questions or would like to make an appointment for a table setup or 15-minute demonstration, please contact **Thomas Stuart** by email at insgolfclinic@gmail.com
